INSTALLATION

Insert the **MECHWARRIOR 3: PIRATE'S MOON** disc in your CD-ROM drive. If your computer has AutoPlay enabled, installation begins automatically. You must have the original **MECHWARRIOR 3** CD-ROM handy in order to complete the install of **MECHWARRIOR 3: PIRATE'S MOON**. If you do not have the **MECHWARRIOR 3** disc, the installation will abort without installing the Expansion Pack.

If installation does not begin, follow these instructions:

1. Insert the **MECHWARRIOR 3: PIRATE'S MOON** disc into the CD-ROM drive.
2. Click on the Start button on the Windows taskbar.

If there are problems installing **MECHWARRIOR 3: PIRATE'S MOON**, please read the README.DOC file on the CD-ROM.

To uninstall the game, insert the **MECHWARRIOR 3: PIRATE'S MOON** disc into your CD-ROM drive and choose "Uninstall." DirectX Installation

MECHWARRIOR 3: PIRATE'S MOON requires DirectX version 7.0. If you do not already have this on your computer, then you can install it after the game files are copied to your hard drive. If you need to install DirectX manually, insert the **MECHWARRIOR 3: PIRATE'S MOON** disc into your CD-ROM drive and select "Reinstall DirectX."

THE README FILE

MECHWARRIOR 3: PIRATE'S MOON has a ReadMe file with which you can view both the License Agreement and updated information about the game. You can also view the ReadMe file by first clicking on the Start button on your Windows taskbar. Then select Programs > MicroProse > **MECHWARRIOR 3 PIRATE'S MOON** > ReadMe.

JOYSTICK SETUP

If you plan to use a joystick, make sure it is calibrated in Windows before you start **MECHWARRIOR 3: PIRATE'S MOON**. Please refer to the original **MECHWARRIOR 3** manual for calibration instructions.

PLAYING THE GAME

To run the game, make sure the **MECHWARRIOR 3: PIRATE'S MOON** disc is in your CD-ROM drive, click on the Start button and select Programs > MicroProse > **MECHWARRIOR 3 PIRATE'S MOON** > **MECHWARRIOR 3 PIRATE'S MOON**. You can also run the game by inserting the **MECHWARRIOR 3: PIRATE'S MOON** disc into your CD-ROM drive and selecting "Play!"

CHAPTER 3: GAME MODES AND OPTIONS

CAMPAIGN

Select “Campaign” at the Main screen to play the new single-player missions as a member of the Eridani Light Horse opposing the New Belt pirates. All normal campaign rules, such as salvage, apply.

PIRATE MISSIONS

Select “Pirate Missions” at the Main screen to play a series of stand-alone,

non-campaign missions as a New Belt pirate. The missions must be played in order, but there is no salvage.

INSTANT ACTION

You can set up Instant Action missions on four new maps from the **MECHWARRIOR 3: PIRATE’S MOON** single-player missions. You can also use all of the new BattleMechs as well as the Clan Elemental power suit. (Note that you cannot access the Instant Action maps from the original game.)

MULTIPLAYER

MECHWARRIOR 3: PIRATE'S MOON has four new multiplayer maps, two additional types of multiplayer games and four new multiplayer options. You can now command the prized Clan Elemental combat suit as well. Look for it in the 'Mech Lab.

You will only be able to play multiplayer games against opponents using the same **MECHWARRIOR 3** software. Original **MECHWARRIOR 3** owners can only play against **MECHWARRIOR 3** owners, and **MECHWARRIOR 3: PIRATE'S MOON** owners can only play owners of the same expansion.

For more information on how to use the original multiplayer game maps from **MECHWARRIOR 3** in this expansion, visit www.mechwarrior3.com.

Multiplayer Games

Attack/Defend – One Base

One team defends the base while the other team tries to destroy it.

Attack/Defend – Two Bases

With two bases instead of one, each team begins the game in control of a base and must defend it while at the same time attempting to destroy the enemy's base.

Multiplayer Game Options

Rounds

If the Rounds control on the Multiplayer Game Setup screen is set to 1, then the game is a regular multiplayer game of just 1 round. If the Rounds control is set to 2 or higher (up to a maximum of 10), then the game consists of that many rounds of play. Rounds Play games are multi-round combats that start with each team in possession of only a limited supply of BattleMechs, weapons and equipment. At the end of each round, each team receives tonnage points based on its performance in the previous round. Each team can then refit or acquire new equipment in the 'Mech Lab before beginning the next round of play. After the tonnage points are awarded, press the Salvage button to use those points to refit or acquire new equipment.

Salvage Award

This option sets the multiplier and distribution for any salvage awarded between Rounds in a multi-round game. If "Salvage Award" is set to positive, then tonnage points are awarded to the winning team using that multiplier. If the value is set to negative, then tonnage points are awarded to the losing team using that multiplier. You can use this option to handicap multi-round multiplayer games.

Restrict Jump Jets

This option limits jump jets in exactly the same manner as the "Relaxed Jump Jets" option. If this is set to *On*, then you cannot maneuver your 'Mech while it is in the air.

Infinite Radar

A useful aid in multiplayer games, this option forces the radar display to show any enemy or allied units that would normally be outside your radar's range. The out-of-range targets show up at the very edge of the radar display to help you find other 'Mechs.

GAME OPTIONS AND COMMANDS

The following new key commands are available in **MECHWARRIOR 3: PIRATE'S MOON**.

- Alt** **~** Ejects the pilot from the 'Mech.
- Ctrl** **H** Turns the BattleMech's headlights on or off. Headlights are crucial for success in certain missions.
- Shift** **V** Cycles through the available in-game resolutions.
- Ctrl** **P** Takes a screen shot during gameplay and saves the image into the game folder.
- Ctrl** **I** Imports an existing 'Mech design into **Pirate's Moon**. Usable only in the 'Mech Lab.
- Ctrl** **X** Exports the current 'Mech design from the game. Usable only in the 'Mech Lab.

CHAPTER 4: WEAPONS

As part of your mission to Veil, you will have access to a variety of new weapons, some of them available in your initial inventory.

Light Machine Gun: With similar damage to and double the range of the standard machine gun, the light machine gun goes through ammo twice as fast. The light machine gun is ideal for long-range anti-infantry and light vehicle fire.

Heavy Machine Gun: Fire from the heavy machine gun causes double the damage as the standard machine gun at the same range. Unfortunately, the required heavier barrel and feeder mechanism make it twice the weight of the standard machine gun.

Light Gauss Rifle: The light gauss rifle does only half the damage of its standard counterpart, but it does have longer range (1,000 meters), a faster reload time and lighter ammunition.

Medium Range Missiles: Though they have only a 570-meter effective range, medium-range missiles carry a significant warhead and are available in salvo sizes of 10, 20, 30 and 40 missiles.

Thunderbolt Missiles: With a 150-meter minimum range, each massive Thunderbolt missile carries the explosive firepower of an entire salvo of long-range missiles. Additionally, they have a longer range and are invulnerable to AMS.

X-Pulse Lasers: Only recently moving out of the experimental stage, X-pulse lasers do the same damage as their standard counterparts but are effective over a greater range. Unfortunately, they do generate more heat.

Heavy Lasers: This class of laser is more powerful than the standard, though they are effective at the same range. Heavy lasers do, however, generate even more heat than the longer-ranged ER lasers.

ER Micro Laser: The Clan ER micro laser is smaller, weaker and shorter-ranged than the small ER laser, but it is also half the weight. It's perfect for filling up that last fraction of a 'Mech's weapon load tonnage.

Weapon Tables

The following are tables of all of the weapons available for mounting on a BattleMech. "IS" stands for "Inner Sphere."

If your game manual or CD-ROM is damaged or defective, you can return that item to Customer Support for a replacement. Send only the item to be replaced, not the entire package. You must also include a photocopy of your receipt showing the date of purchase (not the date when you “registered” your game with MicroProse). Your 90-day warranty period begins with the date of purchase as shown on your receipt. MicroProse is not responsible for items lost in the mail. We suggest that you insure your mail. Please send to MicroProse, ATTN: Customer Support, 2490 Mariner Square Loop, Alameda, CA 94501.

License Agreement

*** IMPORTANT ***

This is a legal agreement between the end user ("You") and Hasbro Interactive, Inc., its affiliates and subsidiaries (collectively "Hasbro Interactive"). This Agreement is part of a package (the "Package") that also includes a CD-ROM disc (collectively, the "CD-ROM") and certain written materials (the "Documentation").

BY INSTALLING THE CD-ROM, YOU ACKNOWLEDGE THAT YOU HAVE READ ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, UNDERSTAND THEM, AND AGREE TO BE BOUND BY THEM. YOU UNDERSTAND THAT, IF YOU PURCHASED THE PACKAGE FROM AN AUTHORIZED RESELLER OF HASBRO INTERACTIVE, THAT RESELLER IS NOT HASBRO INTERACTIVE'S AGENT AND IS NOT AUTHORIZED TO MAKE ANY REPRESENTATIONS, CONDITIONS OR WARRANTIES, STATUTORY OR OTHERWISE, ON HASBRO INTERACTIVE'S BEHALF NOR TO VARY ANY OF THE TERMS OR CONDITIONS OF THIS AGREEMENT.

If You do not agree to the terms of this Agreement, promptly return the entire Package to the place You obtained it for a full refund.

LIMITED LICENSE: You are entitled to use this CD-ROM for your own use, but may not sell or transfer reproductions of the CD-ROM or Documentation to other parties in any way. You may use one copy of the CD-ROM on a single terminal connected to a single computer. You may not network the CD-ROM or otherwise use it on more than one computer or computer terminal at the same time.

You acknowledge that Hasbro Interactive is not responsible for the Internet or whether it should continue to exist in its present form or whether or not a government or governmental agency, either foreign or domestic, will control, regulate or disband the Internet.

OWNERSHIP; COPYRIGHT: Title to the CD-ROM and the Documentation, and patents, copyrights and all other property rights applicable thereto, shall at all times remain solely and exclusively with Hasbro Interactive and its licensors, and You shall not take any action inconsistent with such title. The CD-ROM and the Documentation are protected by United States, Canadian and other applicable laws and by international treaty provisions. Any rights not expressly granted herein are reserved to Hasbro Interactive and its licensors.

OTHER RESTRICTIONS: You may not cause or permit the disclosure, copying, renting, licensing, sublicensing, leasing, disseminating or otherwise distributing of the CD-ROM or the Documentation by any means or in any form, without the prior written consent of Hasbro Interactive. You may not modify, enhance, supplement, create derivative work from, adapt, translate, reverse engineer, decompile, disassemble or otherwise reduce the CD-ROM to human readable form.

LIMITED WARRANTY:

Hasbro Interactive warrants for a period of ninety (90) days following original retail purchase of this copy of the game that the CD-ROM is free from substantial errors or defects that will materially interfere with the operation of the CD-ROM as described in the Documentation. This limited warranty applies to the initial purchaser only. EXCEPT AS STATED ABOVE, HASBRO INTERACTIVE MAKES NO OTHER WARRANTY OR CONDITION, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, REGARDING THIS CD-ROM. THE IMPLIED WARRANTY THAT THE CD-ROM IS FIT FOR A PARTICULAR PURPOSE AND THE IMPLIED WARRANTY OF MERCHANTABILITY SHALL BOTH BE LIMITED TO THE NINETY (90) DAY DURATION OF THIS LIMITED EXPRESS WARRANTY. THESE AND ANY OTHER IMPLIED WARRANTIES OR CONDITIONS, STATUTORY OR OTHERWISE, ARE OTHERWISE EXPRESSLY AND SPECIFICALLY DISCLAIMED. Some jurisdictions do not allow limitations on how long an implied warranty or condition lasts, so the above limitation may not apply to You. This limited warranty gives You specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

If you believe you have found any such error or defect in the CD-ROM during the warranty period, (i) if you are in the United States, call Hasbro Interactive's Consumer Affairs Department at 800-683-5847 between the hours of 8:00 a.m. and 12:00 a.m. midnight. Monday through Friday (Eastern Time) and 8:00 a.m. to 8:00 p.m. Saturday and Sunday, holidays excluded, and provide your Product number; or (ii) if you are outside the United States, send your original CD-ROM disc to Hasbro Interactive at Caswell Way, Newport, Gwent, NP9 0YH, United Kingdom, together with a dated proof of purchase, your Product number, a brief description of such error or defect and the address to which it is to be returned. If you have a problem resulting from a manufacturing defect in the CD-ROM, Hasbro Interactive's entire liability and Your exclusive remedy for breach of this limited warranty shall be the replacement of the CD-ROM, within a reasonable period of time and without charge, with a corrected version of the CD-ROM. Some jurisdictions do not allow the exclusion or limitation of relief, incidental or consequential damages, so the above limitation or exclusion may not apply to You.

HASBRO INTERACTIVE SHALL NOT BE LIABLE FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR OTHER INDIRECT DAMAGES, EVEN IF HASBRO INTERACTIVE IS ADVISED OF OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL HASBRO INTERACTIVE'S LIABILITY EXCEED THE PURCHASE PRICE OF THIS PACKAGE. Some jurisdictions do not allow the exclusion or limitation of special, incidental, consequential, indirect or exemplary damages, or the limitation of liability to specified amounts, so the above limitation or exclusion may not apply to You.

GENERAL: This Agreement constitutes the entire understanding between Hasbro Interactive and You with respect to subject matter hereof. Any change to this Agreement must be in writing, signed by Hasbro Interactive and You. Terms and conditions as set forth in any purchase order which differ from, conflict with, or are not included in this Agreement, shall not become part of this Agreement unless specifically accepted by Hasbro Interactive in writing. You shall be responsible for and shall pay, and shall reimburse Hasbro Interactive on

request if Hasbro Interactive is required to pay, any sales, use, value added (VAT), consumption or other tax (excluding any tax that is based on Hasbro Interactive's net income), assessment, duty, tariff, or other fee or charge of any kind or nature that is levied or imposed by any governmental authority on the Package.

EXPORT AND IMPORT COMPLIANCE: In the event You export the CD-ROM or the Documentation from the country in which You first received it, You assume the responsibility for compliance with all applicable export and re-export regulations, as the case may be.

GOVERNING LAW; ARBITRATION: This Agreement shall be governed by, and any arbitration hereunder shall apply, the laws of the Commonwealth of Massachusetts, U.S.A., excluding (a) its conflicts of laws principles; (b) the United Nations Convention on Contracts for the International Sale of Goods; (c) the 1974 Convention on the Limitation Period in the International Sale of Goods; and (d) the Protocol amending the 1974 Convention, done at Vienna April 11, 1980.

Any dispute, controversy or claim arising out of or relating to this Agreement or to a breach hereof, including its interpretation, performance or termination, shall be finally resolved by arbitration. The arbitration shall be conducted by three (3) arbitrators, one to be appointed by Hasbro Interactive, one to be appointed by You and a third being nominated by the two arbitrators so selected or, if they cannot agree on a third arbitrator, by the President of the American Arbitration Association ("AAA"). The arbitration shall be conducted in English and in accordance with the commercial arbitration rules of the AAA. The arbitration, including the rendering of the award, shall take place in Boston, Massachusetts, and shall be the exclusive forum for resolving such dispute, controversy or claim. The decision of the arbitrators shall be binding upon the parties hereto, and the expense of the arbitration (including without limitation the award of attorneys' fees to the prevailing party) shall be paid as the arbitrators determine. The decision of the arbitrators shall be executory, and judgment thereon may be entered by any court of competent jurisdiction. Notwithstanding anything contained in this Paragraph to the contrary, Hasbro Interactive shall have the right to institute judicial proceedings against You or anyone acting by, through or under You, in order to enforce Hasbro Interactive's rights hereunder through reformation of contract, specific performance, injunction or similar equitable relief.
